The gossip columnists speculated a great deal about how Amanda and Selene managed their dual existence, but because neither personality gave interviews on the subject, it had to remain only speculation. The custody decision, however, was public knowledge. January to June had gone to Margot Randall, July to December to the Senator. It sounded like the alters might still divide then* year that way. But rather than distress Amanda further by asking about it, I bit my tongue and hurried out to get the lease from my secretary..Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working only in highly specialized ways, cannot divide into a whole organism if left to themselves. Many body cells, such as those of the muscles or nerves, have become so specialized they can't divide at all. Only the sex cells, eggs and sperm, retain the lack of genetic specialization required to produce a new organism under the proper circumstances..One, we have food for twenty people for three months.
