He was gone perhaps five minutes, and when he returned, he sent Barty off to

the waiting room, where the receptionist kept a jar of lemon- and orange-flavored hard candies. "A few of them have your name on 'em, Bartholomew." The need for relief was tremendous, inexpressible, and the urge to urinate was irresistible, and yet he could not let go. For more than eighteen hours, his natural urinary process had been overridden by concentrative meditation. Now the golden vault was locked tight. Every time that he strained for release, a new and more hideous cramp savaged him. He felt as if Lake Mead filled his distended bladder, while Boulder Dam had been erected in his urethra. So runs the water away, away. He almost opened the paper atop the quarter before seeing it. Shiny. Liberty curved across the top of the coin, above the head of the patriot, and under the patriot's chin were stamped the words In God We Trust. Eye to eye with Tom, Celestina herself did some clear-seeing. "You're special, too, in lots of obvious ways. But like Angel, you're special in some secret way ... aren't you?" "Please try not to be alarmed, Miss White, but I have a patrol car on the way to your address." Still seeking some missing fact, some insight that would help him understand the maniac's Bartholomew obsession, Tom asked more questions until Celestina suddenly realized and revealed what might be the information that he sought: Cain's perverse insistence on playing the reverend's taped rough draft of "This Momentous Day" throughout his long assault on her sister. Carrying him to the window, gazing up at the stars, the moon, she said, "I'll always read to you, Barty." Having anticipated a problem of one kind or another, Junior withdrew a packet of crisp new hundred-dollar bills from an inside jacket pocket. The bank band still wrapped the stack, and on it was printed \$10,000. Immediately at the thought of regurgitation, his abdominal muscles contracted like those of a laboratory frog zapped by an electric current, and he choked on a rising horror. Find the father, kill the son. In just nine days, Junior bedded four beautiful women: one on Christmas Eve, the next on Christmas Night, the third on New Year's Eve, and the fourth on New Year's Day. For the first time in his life-and on all four occasions-his joy in the act was less than complete. Currently, Jacob was far removed from the embalming chamber and intended never to set foot there, alive. With Walter Panglo as his guide, he toured the casket selection in the funeral-planning room..holding hands as they watched John Wayne in *The Searchers*, David Niven in *Around the World in 80 Days*. They were so young then, sure they would live forever, and they were still young now, but for one of them, forever had arrived..She hung her head, covered her face with her chilled hands, and wondered how her mother could sustain faith in God when such terrible things could happen to someone as innocent as Phimie. On this January twilight, as Maria Elena Gonzalez drove south along the coast from Newport Beach, all men of the sea must have been reaching for bottles of rum to celebrate the fruit-punch sky: ripe cherries in the west, blood oranges overhead, clustered grapes dark purple in the east. During those spells when she was too shaky to draw, she stood at the window, gazing at the storied city. Junior closed his eyes at once and let his jaw sag, breathing through his mouth, feigning sleep. Tom was alone. The place should be silent. Hanna Rey, the housekeeper, wasn't scheduled to arrive until ten o'clock. He still had work to do here. Properly disposing of Thomas Vanadium, however, was the most urgent piece of business. Supposing that this new enthusiasm was an attempt to uncover skullduggery in Seraphim's accident, then the girl would be doing Junior a service even after her demise. Whether or not the traffic accident was an accident, Junior hadn't had anything to do with it. Could any spell of magic make, In spite of major earthquakes pending, explosions of dynamite hauling trucks on the highway, tornadoes somewhere churning, the grim likelihood of a great dam bursting along the route, freak ice storms stored up in the unpredictable heavens, crashing planes and runaway trains converging on the coastal highway, and the possibility of a sudden violent shift in the earth's axis that would wipe out human civilization, they risked crossing the boundaries of Bright Beach and traveled north into the great unknown of territories strange and perilous. She felt that she had failed her sister. She didn't know what more she could have done, but if she'd been wiser and more insightful and more attentive, surely this terrible loss would not have come to pass. Alone again with Wally, Celestina said, "They told me that once you regained consciousness, I can only visit ten minutes at a time, and not that often, either." "Oh, my Lord," Chicane groaned as he and Sparky half carried Junior into the bathroom. Phimie's eyes widened, her hand tightened painfully on her sister's hand, her entire body convulsed, thrashed, and she cried, "Unnn, unnn, unnn!". As spectacularly busty as the not-yet-dead Jayne Mansfield, Frieda never wore a bra. In 1966, this free-swinging style was little seen. Initially, Junior didn't realize bralessness was a declaration of Frieda's liberation; he thought it meant she was a slut. Besides, he wasn't on the Greenbaum Gallery customer list and didn't have an invitation. He knew the titles that he wanted: "Tunnel in the Sky, Between Planets, Starman Jones." Celestina succumbed to a fit of giggles. Before she could control them, she used up two Kleenex to blow her nose and to blot the laughter from her eyes. there in more genteel and gilded ages, and her flights of imagination sometimes acquired such vivid detail that they were eerily like memories. His severed toe lay across the room, on the white tile floor. It stuck up stiffly, nail gleaming, as if the floor were snow and the toe were the only exposed extremity of a body buried in a drift. On Tuesday, January 2, Junior met with the drug dealer who had introduced him to Google, the document forger, and he arranged to purchase a 9-mm handgun with custom-machined silencer. Considering Junior's actions on his last night in Spruce Hills, eleven months ago, he must be cautious now. Without incriminating himself, pretending ignorance, he hoped to learn if his carefully planned scenario, regarding Victoria's death and Vanadium's sudden disappearance, had convinced the authorities-or whether something had gone wrong that might explain the quarter at the diner. Maybe his pursuit of the matter sprang from mere curiosity, the desire to discover what a child of his might look like; however, if something else lay behind his interest, the motivation would not be benign. Whatever Cain's intentions, he would prove to be at least an annoyance to Celestina and the little girl-and possibly a danger. Tom Vanadium rose to his feet and, with one hand on Barty's shoulder, he surveyed the faces of those gathered on the porch. Most of these people were such new acquaintances that they were all but strangers to him. Nevertheless, for the first time since his early days in St. Anselmo's Orphanage, he'd found a place where he belonged. This felt like home. If their relationship had not been limited to a single evening of passion, if they had not been of two worlds, if she had not been underage and therefore jailbait, they might have had an open romance, and then her death would have touched him more deeply. Junior worried that he might not locate the correct Dumpster among the many. Yet he didn't switch on the flashlight, suspecting that he would be better able to find his way if the conditions of darkness and fog were exactly as they had been earlier. In fact, this proved to be the case, and he instantly recognized the hulking Dumpster when he came upon it..honor and family. This was life, and everyone lived his life in the shadow of one solemn obligation or another. No time for horror, disgust. Every second mattered now, and every minute might cost another life..the beast would find them one day, but she hadn't spoken of that possibility in perhaps two and a half years. Junior was pleasantly surprised by his flexibility and by his audacity. He was, indeed, a new man, a daring adventurer, and by the day he grew more formidable. When the police operator answered, Junior shrieked, "I've been shot! Jesus! Shot! Help me, an ambulance, oooohhhh shit!

Hurry!". "Indeed, you did," said Magusson. "And I dismissed him as a well intentioned crusader, a holy fool. Looks like you had a better take on him than I did, Mr. Cain." Angel followed him at two steps, and when she stood beside his chair, watching him open the soft drink, Barty said, "Why were you following me?". She knew that the front door was locked, too, because Wally had waited to hear the deadbolts clack shut. Nevertheless, she stepped into the hall, where the light wasn't on, walked quickly past Angel's bedroom, came to the entrance to the lamplit living room-and saw a man backing through the open front door, dragging something, dragging a dark and large and heavy rumpled something, dragging a. For eight nights thereafter, Agnes padded the floor with folded blankets on both sides of the boy's bed, insurance against a middle-of-the-night fall. On the eighth morning, she discovered that Barty had returned the blankets to the closet from which she'd gotten them. They were not jammed haphazardly on the shelves-the sure evidence of a child's work-but were folded and stacked as neatly as Agnes herself would have stored them.. This Monday afternoon, he longed for the escape and solace of half-hour pulp adventure. But he decided that he ought to at last compose the letter he'd been meaning to write for at least ten days.. "Let's roll 'em. out," Paul said, and he returned to the station wagon to ride shotgun beside Agnes.. Startled, he braked to a halt. Agnes didn't say anything until Joey had taken three or four deep.. Junior in the fog. Trying oh-so-hard to live in the future, where the winners live. But being relentlessly sucked back into the useless past by memory.. As the fragrances of wet wool and sodden denim rose from her sweater and jeans, Agnes switched on the heater and angled the vanes of the middle vent toward Barty. "Honey, turn that other vent toward yourself." Writing came with reading, and in a notebook, he began to make entries about points of interest in the stories that he enjoyed. His Diary of a Book Reader, as he titled it, fascinated Agnes, who read it with his permission; these notes to himself were enthusiastic, earnest, and charming-but literally month by month, Agnes noticed that they grew less naive, more complex, more contemplative.. From late morning until dinner, people arrived and departed, raised toasts to a merry Christmas and to peace on earth, to health and to happiness, reminisced about Christmases past, marveled about the first heart transplant performed this very month in South Africa, and prayed that the soldiers in Vietnam would come home soon and that Bright Beach would lose no precious sons in those far jungles.. Previously, Miss Pixie Lee had been from Texas, but Angel had recently heard that Georgia was famous for its peaches, which at once captured her imagination. Now Pixie Lee had a new life in a Georgia mansion carved out of a giant peach.. "Some men," she said, "wouldn't be able to sustain desire when their hands touched my back. I'll understand if you're one of them. It's not beautiful to the eye, and rough as oak bark to the touch. That's why I brought you here, so you'd know this before you consider where you want to go from ... where we are now." This was not the time to ponder the nature of the relationship between the treacherous Miss Bressler and Vanadium. Junior had a bloody trail to cover, and precious time was ticking away.. Whereas Edom feared the wrath of nature, Jacob knew that the true hand of doom was the hand of humankind.. At the beginning of his third month, instead of at the end of his fifth, he was combining vowels and consonants: "ba-ba-ba, ga-ga-ga, la-la-la, ca-ca-ca." Happiness could grow out of unspeakable tragedy with such vigor that it produced dazzling blooms and lush green bracts. This insight served, for Celestina, as a primary inspiration for her painting and as proof of the grace granted in this world that we might perceive and be sustained by the promise of an ultimate joy to come.. The study was the size of a bathroom. The cramped space barely allowed for a battered pine desk, a chair, and one filing cabinet.. able to reconcile these opposed forces, she was all but paralyzed by indecision.. Downstairs again, as Agnes reached the foot of the stairs, she began to worry that she had done too thorough a job on the khakis and that the extent of the damage would raise suspicions.. Neither of them was aware that their personal drama, in all its clumsiness and glory, had focused the attention of everyone in the restaurant. The cheer that went up at Celestina's acceptance of his proposal caused her to start, knocking the ring from Wally's hand as he attempted to slip it on her finger. The ring bounced across the table, they both grabbed for it, Wally made the catch, and this time she was properly betrothed, to wild applause and laughter.. Three minutes by car, maybe two without stop signs. He could just about run it as fast as drive it. He had a bit of a gut on him. He wasn't the man he used to be. Ironically, however, after the coma and the rehab, he wasn't as heavy as he had been before Cain sunk him in Quarry Lake.. Rising from the chair and approaching the bed, the detective kept turning the quarter without hesitation. "She was a very sweet girl. Very romantic. Her diary's full of rhapsodies about married life, about you. She thought you were the finest man she'd ever known and the perfect husband." Maria, after a single sip of Chardonnay, fled to the kitchen, ostensibly to check on the apricot flan that she'd brought, but in reality to press a cool and slightly damp dishtowel against her eyes.. When she went upstairs at 2:10 in the morning, she found the boy fast asleep in the soft lamplight, Tunnel in the Sky at his side.. She continued: "When we don't allow ourselves to hope, we don't allow ourselves to have purpose. Without purpose, without meaning, life is dark. We've no light within, and we're just living to die." "Quick, very quick," he warned, helping Grace through the fire framed window and onto the roof of the porch.. Looking from one to another of his companions, Tom said, "When I think of everything that had to happen to bring us here tonight, the tragedies as well as the happy turns of fortune, when I think of the many ways things might have been, with all of us scattered and some of us never having met, I know we belong here, for we've arrived against all odds." His gaze traveled back to Agnes, and he gave her the answer that he knew she hoped to hear. "This boy and this girl were born to meet, for reasons only time will reveal, and all of us ... we're the instruments of some strange destiny." Thereafter, Junior managed to drive four miles before he was forced to pull off the road at another service station, after which he felt that his ordeal might be over. But less than ten minutes later, he settled for more rustic facilities in a clump of bushes alongside the highway, where his cries of anguish frightened small animals into squeaking flight.. With some sharp instrument, probably a knife, Cain had stabbed and gouged the red letters, working on the wall with such fury that two of the Bartholomews were barely readable anymore. The Sheetrock was marked by hundreds of scores and punctures.. When she didn't at once accept his generosity, he said, "All my life, I've lived just to get through the day. First survival. Then achievement, acquisition. Houses, investments, antiques ... There's nothing wrong with any of that. But it didn't fill the emptiness. Maybe one day I'll return to medicine. But that's a hectic existence, and right now I want peace, calm, time to reflect. Whatever I do from here on . . . I want my life to have a degree of purpose it's never had before. Can you understand that?". Jacob was hiding something. Until he had spoken of Josef Krepp, his every response had been formed as a question, which had always been his preferred method of avoidance when conversation involved a subject that made him uncomfortable.. Neddy, dressed for work but overdressed for his own funeral, slumped against the wall, head bowed, chin on his chest. His pale hands were splayed at his sides, as though he were trying to strike chords from the floor tiles.. A spirit-shredding bleakness clawed at her, but she couldn't permit it to leave her in tatters. If she traded hope for despair, as her brothers had done, Bartholomew would be finished before he'd begun. She

owed him optimism, lessons in the joy of life.. "Don't worry, love. I'll make sure the snap's are constructed so you can get it off me easily enough." Unable to speak, the girl kissed her and then gently placed her head against Agnes's breast, capturing forever in memory the pure sound of her heart.. It wasn't as if this was Junior's first encounter with a dead body. In the past few years, he'd become as comfortable with the deceased as any mortician might be. They were as unremarkable to him as cupcakes were to a baker.. Sometimes Celestina marveled at how intimately and inextricably the tendrils of tragedy and joy were intertwined in the vine of life. Sorrow was often the root of future joy, and joy could be the seed of sorrow yet to come. The layered patterns in the vine were so complex, so enrapturing in their lush detail and so fearsome in their wild inevitability, that she could fill uncountable canvases, through many lifetimes as an artist, striving to capture the enigmatic nature of existence, in all its beauty dark and bright, and in the end merely suggest the palest shadow of its mystery..' She didn't reach into your thoughts and pluck out the name Rowena. Or Beezil or Feezil.' He knew the sermon, of course. The example of Bartholomew. The theme of chain-reaction in human lives. The observation that a small kindness can inspire greater and ever-greater kindnesses of which we never learn, in lives distant both in time and space.. "Yeah, but I've been thinking about that. If he feels some kind of responsibility ... then why did he ever represent Cain in the first place?" In the Suburban with Wally and Grace, as they waited to hit the trail, Celestina said, "He took her to a movie again, Tuesday night." Admitting to the likelihood that he would never again devote himself seriously to his business, Paul sold it to Jim Kessel, long his good right hand and fellow pharmacist.. Unable to continue Tehanu's story (because it hadn't happened yet) and foolishly assuming that the story of Ged and Tenar had reached its happily-ever-after, I gave the book a subtitle: "The Last Book of Earthsea." "I hope it will," the physician said, but his emphasis was too solidly on the word hope.. To his room then, where they sat side by side in bed, a plate of chocolate-chip cookies between them. Through the evening, they stepped off this earth and out of all its troubles, into a world of adventure, where friendship and loyalty and courage and honor could deal with any malignancy.. Angel raised her attention from the salt shaker to Tom's face, studied his scars for a moment, and said, "No." The verdant hills to the east lay like slumbering giants under blankets of winter grass, bright in the morning sun. But when the shadows of clouds sailed off the sea and gathered inland, the slopes darkened to a blackish green, as somber as shrouds, and a landscape that had appeared to be sleeping forms now looked dead and cold.. In that slow, flat delivery with which Junior was becoming increasingly impatient, Detective Vanadium said, "We all were, Doctor. It was another election year, remember? More than once during that campaign, I could've chugged ipecac. What else would work if I wanted to have a good vomit?" "Your forgiveness won't make any of it right," he said, "nothing could, but it might start to give me a little peace." "Toes," he repeated immediately in his sweet, piping voice. This was a new word for him.. Paul shook his head. "Oh, no. People look at our marriage, and they think I gave up so much, but I got back a lot more than I gave." His patience exhausted, the pianist wrenched his hand out of Junior's grip. He glanced around nervously, certain that they must be the center of attention, but of course the reception guests were lost in their witless conversations, or they were gaga over the maudlin paintings, and no one was aware of this quiet little drama.
